

September 23, 2017 Explained and It's Good News

Remember you prophets of doom and gloom. You have been warned. Your doom and gloom will be your doom so says God in [Mark Taylor Prophecies](#)

See our YouTube channel for all of the [prophecies given to Mark on video](#), short video reading the prophecy off to you.

So I see a report that the entire country of Russia is in a panic because they believe September 23, 2017 is the start of the tribulation and the rapture will happen. Hundreds of thousands of people have even evacuated Russia. Wow are we going to do this every year?

You see YouTube flooded with September 23rd. They did this last year as well. 2015 too.

Understand this: the Kingdom of Darkness is putting out a ton of disinfo not only through media, but also even through AI bots plus they are taking people on visitations to mock Heaven and Hell visitations. They have their strategy. Ultimately they are trying to trip you up so you turn against God, of course.

We have entered the Kingdom Age. There is a billion soul harvest to come. We're going to be around for another 100 years at least according to those God has shown some of the future. The best authority on this matter is Kat Kerr. Many many others have been making genuine Heaven visits. The prophets that have been accurate, such as Mark Taylor, are in line with Kat Kerr – Kat has the most information. And yes

1. Whitney Houston 2. Michael Jackson and 3. Elvis oh and 4. Superman, Christopher Reeves are in Heaven. Yes. That's good news certainly for everyone!

But what is very profound about September 23 2017 is that this birthing sign is to bring forth the manifestation of the sons (and daughters) of God who will rule the planet in the spirit realm all the way up until the rapture victory party, for the Kingdom of Darkness will not be able to do anything until we are called out. No this is not the "Millennial Age" this is the Kingdom Age where Kingdom rises against Kingdom up before the end, the 7 year tribulation "bump in the road"

[Romans 8:19](#)

For the earnest expectation of the creature waiteth for the **manifestation** of the sons of God.

So hear from God through Kim Clement – you'll understand, I hope, what's going on.

Stay away from doom and gloom and 'judgement judgement judgement' spewers. People are committing suicide because of their message and they now have blood on their hands. Don't spread their junk!

The UN Will Be No More.

UN is Another Name for Satan (see Dr. Michael Lake studies). UN are Satan worshipers.

Kim Clement Prophecy – Trump, Refugees, UN, Russia, Europe

United Nations will Be No More. United Nations has housed Judas. God will take care of the refugees.

The Church will bring unity and finances.

The Lord will Take The Catholic Church and Fix It and Bring it to Him. The Lord will take the Paracletos and give it to them. The Holy Spirit will be given to the Roman Catholic Church. The Lord will fix the Pope. Over a 3 year period the Catholic Church will reform and repent.

Trump is a prophet. His anointing is exposing every corruptions. Crooks will go. The divorce will stop. Children will enter into a good economy.

Watch the video for the full prophecy and then watch it happen in real time thereby increasing your belief.

Pray and Command IRMA Away – Has Been Weaponized By Tesla Scalar Tech of Russian Company?

**Those Born Again in Christ &
Walking Holy Are Supposed to Have
Authority Over The Weather – So
It's Time To Rise Up and Git Rid of
this Irma Hurricane – Show the
World the God is More Powerful than
Weather Weaponry or Hurricanes.**

Have you seen how quickly and uniformed these hurricanes have become of recent? Hurricanes can now be festered up, strengthened and directed according to reports below. The targeting was purposeful as a retaliatory measure by Russia for the USA's recent almost unanimous congress vote to put sanctions on Russia to choke off Russian oil to Europe. See the links to the reports below.

Harvey was weaponized, energized and directed by new level weather weaponry. Oh yes. USA has HAARP to control the weather but it's not nearly as powerful as Rostec's Tesla Scalar Tech based weather modifier. Again, these are according to reports. It's very interesting indeed. It's inline with other theories of how new tech will increase dramatically going forward in this Kingdom Age.

So ok. If the USA has weather modification tech why can't it

diffuse the hurricane? Or why won't they diffuse the hurricane? Who's in charge of the weather weaponry is more the question. There is much to do to clear out the Satan worshiping NWO force still in the USA government. And they maybe behind this Russian company's new breakthrough weather tech although Vladimir all of a sudden has gotten behind it.

Would you like to learn some fascinating details behind HAARP and Tesla Scalar technology for weather weaponry? Check out this video <https://www.youtube.com/watch?v=S0Igdvbc1GE> (Also learn about how Israel protected the USA from Soviet Tesla beam attack with a Tesla dome that bounced back the attack which caused Chernobyl meltdown.)

Is this all imaginary?

- Weather weaponry is actually OLD tech
- Recent advances have made it more practical in that a hurricane weapon can be launched from on boat (find that boat!)
- Technology will advance beyond imagination as the Dark Side will start putting out more and God will also release more. We are in the Kingdom Age where Kingdom rises against Kingdom!

ACTION for You: What to do ? Go listen to as many Kat Kerr videos and CD's as you can and learn to take authority over the weather. I personally just commanded the Earth to reverse IRMA back out to the Atlantic in an abrupt and dramatic way in the Name of Yeshua (Jesus in Hebrew) last night, well actually it was at around 1 a.m. 9/5/17.

That's what I felt guided to do, felt was being told to do. I am not an expert in such things but a "newbie". But as a born again believer in Christ YOU have authority over the weather in Christ. And now is the time to rise. Now is the time to enter your seat of power in Yeshua to rule and reign over the Earth through prayer, commands in the spirit realm and

elements.

Remember strong faith = you willing and not worried and not caring about looking foolish, doing your part and trusting God to come through.

REPORT: Catastrophic Hurricane Harvey Confirmed As Russian Weather Weapon Retaliation Attack

An astonishing new **Security Council** ([SC](#)) report circulating in the Kremlin today appears to confirm that the historic, and catastrophic, [Hurricane Harvey](#) currently wreaking havoc and chaos throughout the [Gulf Coast Region](#) of the United States was caused by the “conscious and deliberate” use of a terrifying new environmental modification device ([ENMOD](#)) developed by [Rostec](#)—and whose use was approved by **Chairwoman of the Council of Federation [Valentina Matviyenko](#)** in a believed to be retaliation for the [devastating firestorm created last week in Rostov-on-Don](#) caused by what are being called “criminal American profit agents”.

[More info here](#)

Report 2: Putin’s “Weather Weapon” Endgame Begins: America Warned Will Be “Brought To Its Knees”

A new **Security Council** ([SC](#)) report circulating in the Kremlin today states that President Putin has “placed/activated” **Chairwoman of the Council of Federation [Valentina Matviyenko](#)** to be in “control/charge” of the terrifying new environmental modification device ([ENMOD](#)) developed by [Rostec](#), instead of **Defense Minister [Sergei Shoigu](#)** who wanted it placed under strict **Ministry of Defense** ([MoD](#)) control—and with all [Members](#) full knowing that **Chairwoman Matviyenko’s** current testing of this **ENOMD** in the Atlantic Ocean will, more than likely, “[bring America to its knees](#)”—and that exactly matches Putin’s basic philosophy: “[If the Streets of Leningrad taught me one thing – if fight](#)

is inevitable, throw the first punch.”

[See the article here for report 2](#)

Rostec’s

- Has already proven it’s self to create massive storms on demand, used in prior for tests and to put out a fire in Siberia
 - **“Defense Minister Shoigu’s** “concerns/worries” about this new **ENMOD** device, this report explains, involved **Rostec’s** testing of it, on 29 May, over the Moscow region that *caused the most powerful and deadliest storm to hit this city in 150 years resulting in the toppling of hundreds of trees, massive flooding, and the deaths of 16 citizens*—and that was quickly followed by its experimental use by two **Aeroflot** commercial flights—the first being an **Aeroflot** flight to *Berlin Schönefeld Airport* (Berlin, Germany) on 29 June, and the second being an **Aeroflot** flight to *Charles de Gaulle Airport* (Paris, France) on 9 July. Exactly like occurred in **Moscow** on 29 May, this report notes, when this powerful **ENMOD** device was released on 29 June over **Berlin**, it caused *the heaviest rain in a century to pummel that city*—and that, likewise, occurred in **Paris** when it was released over that city, on 9 July, and *caused the highest ever recorded amount of rain to hit that city in its entire recorded history.*

On 21 August, this report details, **Rostec** scientist-experts presented to **Chairwoman Matviyenko** a “request document” to conduct another test of their **ENMOD** device—this time over the *Republic of Cuba* using the two “modified” **Aeroflot** aircraft they had utilized during their **Berlin** and **Paris** “tests”—and whose stated purpose was to relieve that Caribbean

island nation from its catastrophic "[drought of the century](#)".

Chairwoman Matviyenko approved **Rostec's** testing their **ENMOD** device over **Cuba**, this report says, as she stated (during today's SC meeting) that the "request document" contained a detailed metrological assessment stating that its use would be upon a weakened tropical front off the western coast of this island nation—and that was being pushed back towards **Cuba** by two powerful high-pressure systems over the United States called "[blocking fronts](#)"."

This is revenge for USA increasing recent sanctions which are reported to strangle Russian oil exports to Europe and replaces with USA based companies. These are the reported concepts. There's a battle going on behind the scenes with the Satanic forces infestation still within the USA and Russia since Russia has rebelled against the Satanic New World Order scam. That's the concept.

On the other hand Russia authorization of this Rostec isn't very nice!

- Russia says and has been acting like
- **But they are attacking areas that are high percentage Christian that are supportive of Russian direction to return to Christianity. So maybe it's not Russia but the Satanic NWO related parties and they tricked Putin, playing Putin like a fiddle to do their dirty work. Remember these Satanist goal is to set off USA against Russia to wipe out most of the planet. Plus the Satanist are mad at Russia because Russia called their bluff and kicked them out of the country.**
- That said hurricanes happen every year
- But hurricanes if you notice have been targeting our competing industries: the oil industry took a huge hit

due to Harvey

- Irma – currently a Category 5 would cause mass devastation to Florida and a lot of loss of life.

That's all on this topic. The main point of this article is for you to Pray, Command Hurricane Irma Away!

Heaven Loves Joel Osteen Who is About to Get a Divine Promotion? See this Prophecy

Joel's Army? Whaaaa?

You've Gotta Wonder for, Those Who Know the Word, that You May Likely Be Doing Something Very Right if Most Men Speak Bad of You...

Yes! And Woe Unto Those When All Men Speak Well of You... Pastors, Preachers if Everyone Seems to Speak Well of You Turn to the Lord Quickly and Find Out What You Are Doing Wrong...

[Luke 6:26](#)

“Woe unto you, when all men shall speak well of you! for so did their fathers to the false prophets.”

- “all men” Referring to those who follow the commands of

Satan, the ways of this world, who live in the flesh and whose god is their belly.

- Seek to please God not man
- The actual Word of God is shocking to those who are directed by the flesh and not by the Spirit, following Jesus and obeying His commands of the New Testament.
- [James 4:4](#)
“Ye adulterers and adulteresses, know ye not that the friendship of the world is **enmity** with God? whosoever therefore will be a friend of the world is the enemy of God.” Enmity = [Strong's 2190](#) echthros: hostile: Definition: hated, hostile; subst: an enemy.

But wait! What about:

[Luke 6:24](#)

“But **woe unto** you that are rich! for ye have received your consolation.” ??

- Woe unto them who are rich to themselves and not towards God
- Woe unto them who do not bear fruit for the Kingdom for the outer darkness awaits or the unquenchable fire.
- Glory and eternal wealth to those who convert their earthly wealth into eternal wealth, who buy gold tried in the fire.
- It is easier for a camel to squeeze through the thread hole on a sewing needle than a man, woman who trusts in riches, whose heart is set on money, whose heart loves money, whose heart trusts money for their security, whose first love is not Jesus but money...
- So a lot of people get mad at Joel regarding money. Let's ask some questions: Well firstly why do they judge? That's a sin of itself is it not? There is a lot of mean things said with great intensity about Joel these days. Is Joel sinning? Do you know exactly what Joel does with his money? Is it your business? Is Joel bearing fruit? Is Joel actually preaching against the

Word of God or just the Joel dis-likers lack of understanding of the Bible? Or are those cranky Joel dis-likers just mad because:

- a. ...what Joel says doesn't match up with their man made doctrines?
- b. ...what Joel says doesn't match up with their own personal misunderstanding of the word of God because of lack of knowing the Word of God,? – since they maybe have been too, let's just say, lazy to read the Bible over and over again and look up what the words actually mean? Since they don't even bother to ask the Lord what the Bible is actually saying, asking what a passage means?
- c. ... they are just mad because they messed up, are not bearing fruit and not getting blessing themselves? Maybe they are just jealous? (Yeah I understand that feeling... So if this is the case we all better repent and get on track, bearing fruit for the Kingdom shouldn't we.)
- These are questions to ask and they are directed in this direction due to the following prophecy below. I do not have the answers about Joel personally but certainly we can ask questions and study the Bible to learn and make sure we are discovering our own error, confessing and turning away form error unto obedience to Jesus to become more excellent in Christ.

[Matthew 6:18-20](#)

¹⁸ *That thou appear not unto men to fast, but unto thy Father which is in secret: and thy Father, which seeth in secret, shall reward thee openly.*

¹⁹ *Lay not up for yourselves treasures upon earth, where moth and rust doth corrupt, and where thieves break through and steal:*

²⁰ *But lay up for yourselves treasures in heaven, where neither moth nor rust doth corrupt, and where thieves do not break through nor steal:"*

[Revelation 3:18](#)

*"I counsel thee to buy of me **gold** tried in the fire, that thou mayest be rich; and white raiment, that thou mayest be clothed, and that the shame of thy nakedness do not appear; and anoint thine eyes with eyesalve, that thou mayest see."*

So get eternally rich! You are commanded to do so by the Lord!

[Luke 16:9](#)

*"And I say unto you, Make to yourselves friends of the **mammon** of unrighteousness; that, when ye fail, they may receive you into everlasting habitations."*

Use your earth money to make yourselves eternal friends. How? Invest in the Kingdom. Invest in Bible distributions. Invest in missionaries who will go witness unto people unto salvation. Invest in ministries and churches that bear fruit and multiply those who bear fruit by obeying Jesus commands and bring souls into the Kingdom. You will get credit as well because your money supported those ministries. Turn your earth money into eternal wealth!

Disclaimer: I don't know much about Joel Osteen. I've seen that he's a super positive guy but that's about all I really know. I've seen he's written a lot of self help sounding books, which can be good, unless it preaches self lordship or new age doctrines of demons. I've heard Joel was learning how to trade Forex at one point by a super talented Forex trading teacher, which I personally thought was kinda cool. I have not read his books, although I may have skimmed through a couple few pages way back when. I listened to Joel preach maybe once a long time ago – I didn't remember much except the lights seemed a bit bright to his eyes on stage. So keep my

comments in perspective.

So, Why is Joel Osteen so “Super Bad”, Again?

But as you know: a lot of folks love to judge Joel and his ministry. They love to say how bad he is. The media loves to trash him. So you’ve gotta wonder. Hummm... Now exactly why are they trashing him and for what? Are their reasons Biblical or are they sinning, again following after their man made abominable doctrines that slice a few verses out of the Bible, twist them, reject the rest and ultimately reject Jesus as Lord, making themselves their own lord?

Are they jealous? Are they mad at themselves because they haven’t done much for the Kingdom? Are they mad at themselves because they allowed themselves to get fooled about wealth?

And then why are they judging? Are we not commanded “Do not judge”?

Right. So frankly the heat on Joel has gotten so intense that I really started to wonder about this guy, wondering something special must be going on with him. And sure enough a MAJOR prophecy comes through for Joel Osteen and it is VERY GOOD!

From Prophet Johnny Enlow:

Hope and Joel Osteen

“Here, I might surprise many of you and tell you that Joel Osteen is very popular—in Heaven. He has been bashed by much of the Church for being “an inch deep and a mile wide” but that is not Heaven’s perspective at all. The rarest commodity on planet earth for some time has been HOPE. Even people who will champion love are often very challenged in their hope levels....

He is widely followed by “unbelievers” because they are starving for the hope he dishes out. Somehow he has figured out that a minister of the “good news” has to carry a spirit of Good News. Joel Osteen is the world’s greatest exporter of this rarest resource on the planet—hope...

“If you look up his name, he has been labeled a “prosperity preacher” and that is somehow in today’s Christian environment a no-no. Do we really want “poverty preachers” or “despair preachers”? Is that really what we think is the true essence of the Gospel (which means “good news”)? Did Jesus really come and promote abundant poverty and challenge? Or did He say I come that you might have abundant life (John 10:10)? If poverty were a virtue would it not exist in Heaven? Does anyone believe that’s the case?”...

“Yes, I know there are and have been “prosperity preachers” who use it to manipulate for great offerings. Joel is not one of those. Oh, that the Christian world would embrace the God that is presented by Joel Osteen. If being hopeful and joyful is “shallow”, then Heaven must also be shallow...”

Joel’s Army?

“I have been shown that something about this whole Houston flooding has to do with God promoting Joel Osteen. Perhaps, that is why there was a quick and unfair cheap shot taken at him and his church by the press after Hurricane Harvey. Believe me, God is promoting him. Joel will now be invited to spiritually spearhead the rebuilding of Houston. While many are thinking and saying that the city needs to be given up on, God has other things in mind. Houston will rise again and be known as a City of Hope.”...

[See the details of this prophecy and be stunned!](#) Pass it around to all those meanies to Joel and let them be stunned. This is pretty awesome! ☐

And it's really great to see who's Ministry God and Heaven likes! Why? Because we get more clarity on what is good, what to listen to and who we can emulate!

So start loving brother Joel and pray for him, his ministry and family!
