This complete list of sins of the New Testament is from a post on a free blog site called angelfire. Unfortunately I can't link to it since Angelfire put inappropriate ads on it and then had a pop up for downloading some sort of "flash upgrade" which appears to be a virus. But the list of sins was some good work that should be shared. So thank you to fellow who posted this (no name was included on the post.)

### **List of Sins – taken from new testament, (From internet, I forgot the reference)**

Our note: because this fellow with no name posted this list, as mentioned above on a site that was virus affected we can't link to it. And this fellow copied this list from somewhere else. I can't find who made the original compilation list here. So sorry. If you made this let please let us know so we can send you credits. But I'm sure you will agree that sharing a list a such is certainly for a good cause! :-)
