

We Are at Revelation 14 Time. You are the “angel” (messenger) Who is to Take the Gospel to the World Through The Internet (the cloud)

REVELATION 14: Vision of the Angel with the Gospel

8 And another angel, a second one, followed, saying, “[d]Fallen, fallen is Babylon the great, she who has made all the nations drink of the wine of the [e]passion of her immorality.”

6 And I saw another angel flying in midheaven, having an eternal gospel to preach to those who [c]live on the earth, and to every nation and tribe and tongue and people; 7 and he said with a loud voice, “Fear God, and give Him glory, because the hour of His judgment has come; worship Him who made the heaven and the earth and sea and springs of waters.”

Think about it: preaching the Good News, Teaching the world Jesus’ commands is OUR JOB. Angels are going to do everything for us. Technically, this should have been done already and we got lazy. Maybe we were more concerned with this life, which was a foolish thing to do.

The word angel in that passage is messenger which can be a human messenger. We have not completed our job. And it’s time for the remnant to rise up, conquer and occupy this world until Christ comes. It’s our time now. And it’s time fake

doctrines and religions strong holds are exposed, broken and discarded so that people can be set free to hear the Good News and make Jesus their Lord, and no one or nothing else their lord.

From Helps Word Studies: 32 *ággelos* – properly, a *messenger* or *delegate* – either human (Mt 11:10; Lk 7:24, 9:52; Gal 4:14; Js 2:25) or heavenly (a celestial *angel*); someone *sent* (by God) to proclaim His message.

[[32](#) (*ággelos*) can refer to “a *human messenger*” (cf. John the Baptist, Mt 11:10, quoting Mal 3:1; see also Lk 7:24, 9:52). [32](#)/*ággelos* (plural, *angeloi*) refers to *heavenly angels* over 150 times in the NT, i.e. *spiritual* beings created by God to serve His plan.

Revelation 14:14 – The "Cloud"

"...Then I looked, and behold, a white cloud, and sitting on the cloud was one like a Son of Man, having a golden crown on His head and a sharp sickle in His hand."

Today, most people know what the "cloud" is in reference to the internet, or at least data storage associated with the internet (for example iCloud). It is a place in "mid-heaven" where communication is stored and distributed. John would not have known that in his day, but he refers to a cloud that Jesus is sitting on. He describes Jesus with a golden crown on His head and a sharp sickle in His hand.

In **Matthew 28:18-20** NASB Jesus declares His authority in both the heavenly and earthly dimensions and instructs Believers to partner with Him to reach, win, and disciple nations: "...*All authority has been given to Me in Heaven and on Earth. Go therefore and make disciples of all the nations, baptizing them in the name of the Father and the Son and the Holy Spirit, teaching them to observe all that I commanded you; and lo, I am with you always, even to the end of the age.*"

Many complain today about the internet with the way the enemy is using it to communicate falsehoods, evil morals, and corruption, but in Revelation 14:14, we see Jesus is sitting on the cloud *in full authority*. **God wants His people to claim the "cloud" for Him and use it to bring in the great ingathering of souls!**

Revelation 14:6

"And I saw another angel flying in midheaven, having an eternal Gospel to preach to those who live on the earth, and to every nation and tribe and tongue and people..."

The word "angel" used in verse 6 is "aggelos" (Greek), meaning "a messenger from God; one who is sent." It is not the same word that is used to refer to an angel as a spirit. The word "midheaven" means a realm between Earth and God's Heaven – it could be the cyber realm where the internet is hosted. **God is going to use His messengers (His people) through the avenue of the internet) to preach the eternal Gospel to all who live in the earth, to every nation, tribe, tongue and people.**

Never before has the average Believer had access to proclaim the Gospel to the entire world but today through the cyber realm (mid-heaven) we can share the eternal word to every nation, tribe, tongue and people. In John's day he would not have known about the internet yet, but he did see that the Gospel was being preached to the entire earth from the mid-heaven. *(Photo via Unsplash)*

Angels are not commissioned to preach the Gospel – Believers are. Applying prophetic interpretation to this verse, it could indicate that in the end days the Gospel will be preached through Believers (God's messengers) from the cyber-heaven.

REVELATION 14: Vision of the Angel with the Gospel

6 And I saw another angel flying in midheaven, having an eternal gospel to preach to those who [c]live on the earth, and to every nation and tribe and tongue and people; 7 and he said with a loud voice, "Fear God, and give Him glory, because the hour of His judgment has come; worship Him who made the heaven and the earth and sea and springs of waters."

It's time to take every sort of angle, come up with every sort of strategy to show the world that God is real and his word is true. It's time to expose what darkness is, what the commands of Satan (Sin) are. It's time to expose with the way of life is, the commands of Jesus of the New Testament.

Speaking of strategy, those who see, have you noticed the layers upon layers of strategy that the Kingdom of Darkness has used on us? They took over our seminaries, our churches, our schools, our media, holy wood, TV, major internet platforms, our medical system, our foods system, our music, our governments... Well, thanks for the tips KoD. Now it's our turn to use this back on you. To occupy all realms of living on this earth until it's time for your little 7 year blip in time when we'll be gone, called away. But don't worry. We'll be back. And with God Almighty, the Son.

So what are we supposed to to say to the nations? In essence: "Fear God, and give Him glory, because the hour of His judgment has come; worship Him who made the heaven and the earth and sea and springs of waters."

We've been inadvertently giving Satan glory since we've been not knowing or obeying Jesus' commands and we've been following Satan, the ways of the world, the ways of the flesh

all of this time. Our denominations and religions hid what making Jesus your Lord means. Has anyone ever taught you Jesus' commands? Do they even know what they are? (Hopefully you've gone to a denomination who did, but most didn't).

Fear God what does that mean? That means to respect what God says and Who He is. A lot of people don't know who God is (although they do know Who He is deep down inside; they, we, all came from God and even asked to be sent here. (see Kat Kerr revelations)). A lot of people have been told about some other god, fake gods, have been told that created beings are gods, and most have been worshiping fallen angels whether they know it or not.

A lot of people have forgotten Who God is and what God is. How did this happen? Well we've forced ourselves to believe a lie in order to 1. please man (fear of man is a trap) 2. to please parents and family 3. to please our culture 4. to please our government 5. to please what the TV & radio says 6. to please peer pressure to be cool 7. to please demons who whisper things in your ear or give you a hard time if you don't obey them (resist the devil and he will flee) and so on...

But as you get to know God from His Word, you'll see that God's not going to make you like Him. He'll try hard to make you realize the consequences of choosing sin and death vs. choosing God and life. He wants you to choose Him, life, to be saved. There is no life outside of God. That should be fairly logical. God is Good and He is cool. He's not going to force you to like Him. He wants people who genuinely like Him and love Him to be around Him for an eternity. Wouldn't you? He wants people around Him who thinks He's wonderful and awesome, the best ever in fact – and don't you want that too? Isn't that neat! God is all good and He's so filled with goodness

that it is genuinely awesome and we are very fortunate to have such a God & Creator.

Think about it: Would you want to be around people who hate you who could care less about you for an eternity, in your home? Would you want people who do all sorts of bad things, who are mean and do foul practices around you, in your home for an eternity? Of course not. God doesn't want that either and you'll see that as you get to know the Word more. Now we get more clarity on how things work why they are how they are.

What is Glory? It's love, appreciation, admiration, respect, thankfulness, in awe, in total amazement, expressed. It's awesomeness. It's when people think you're awesome and love you while expressing this to you. It's when people think that you did a good job and they genuinely express admiration, appreciation, acknowledgement, praise, encouragement and often mention how you changed their life for the better somehow to you. It's when people like you and love you for who you are just because you are you, and they express this to you, and they admit this to you and others. Glory means to be acknowledged and appreciated, liked and loved, approved of, showed that someone cares and is thinking about you. It's when you win the championship and fans go wild and your victory and name is known all over the TV.

Don't you want people to love you for you instead of only loving you for what you can do for them or what you have?

What is worship? It's act of love done in love.

Worship in Spirit & in Truth

Truth: Genuine worship, genuine expression, honest expression that wells up from within. In Truth in Christ – Jesus is the Truth so you must be born again. In truth – you must accurately worship according to how God says He wants, He appreciates, He likes being worshiped. (You have your own rules to what you like and don't like in how someone, your spouse for example, expresses love to you don't you? Of course. So you can understand God better now.) Right way worship. Loving God in a way that makes Him feel loved, appreciated, respected and honored for Who He is. You must know the Word to be able to worship God correctly (i.e. you must repent of your sins, you must forgive others first, you must not worship God Almighty mixed with some pagan thing...)

Spirit: Love. In the spirit of worship. Through your new spirit man. In harmony with Holy Worship in Spirit. From Holy Spirit we express what He gives us to express and say with the right message and at the right time. Worship in Spirit is worshiping in love, in love with God. God is love. If you are born again then Holy Spirit is with us, besides you. If you have been baptized in Holy Spirit then God the Holy Spirit is in you.

Too many people are worried about "end times" and the "apocalypse" when they should be far more concern about their own personal end time that could happen even today, tomorrow, a week from now, a month from now – Lord knows. We're all only 1 heart beat away from eternity and we want to make sure we are doing the Will of the Father.
