

1. The Spirit of God says: "Why are my people not repenting? You use generalized repentance, which has little to no effect, when you should be using target focused repentance and prayer.

1. Targeted Focus repentance means confessing a specific sin. What's a sin? It's what the Bible says is a sin. It's a relationship offense to God. God gives us a large list of things that offend Him and these are called the sins in the Bible.
2. If you think about the things that offend you you'll probably create quite a large list of your own sins. You likely have a very large list of things that offend you and things you do not like or things that make you feel unloved or bad.
3. As you get to know the Bible more you'll understand what the sins of the Bible are and why they are sins.
4. God wants you to have this close trusting relationship with Him. And based on that point you can start to understand how things that interfere with that end goal are listed as sins.
5. Remember that God is not the same as us although we are made in His image and likeness. As some may say, He is a much higher dimensional Being, whereas He is everywhere and at every point in time past present and future at the same time. Try to think

about that. So one could say that maybe God does not take sin in the same way we do. This is in part why you need to know God and I just know about Him. You have to “get” God (i.e. You know when you say that he or she “just gets me” – “they understand”). Well get to know the Bible by reading the Bible over and over and over again at least three times a year and you’ll see Bible verses talk about this. In fact, people’s Eternal lives are on the line based on whether they know God or not; and know how He operates; and knows how God does things or not. What does John 17:3 say? “3 And this is eternal life, that they may know You, the only true God, and Jesus Christ whom You have sent.”

6. Repentance is agreeing with God. Repentance is believing what God says, actually believing what He says which is often followed by an action of obedience and a reprogramming of one’s beliefs in their soul; in their cerebral mind or heart mind. Often the belief in what God says comes after the action of obedience whereas you step out in faith or trust to trust God at his word and do what he says but then you find out that What God Says is really good and so then you believe in what He says; you start to believe that God’s way on a certain thing is the good thing to do and not the old way of Satan. So it’s the

personal experience that causes you to believe God that comes from obedience first that gets you to actually see and experience that what God Says is good.

7. Targeted Focus repentance means that in a relationship you need to repent. Repenting means confess, admit what you did and change your mind about the thing you did by admitting and now believing that offence is completely wrong in any way shape or form.
8. You did that offended the other person because you thought it was okay to do or even good to do. If you thought it was bad to do you probably would not have done that thing.
9. So for example, in a marriage, if one spouse does something that offends the other the offending spouse can't just say " I'm sorry for all the bad things I ever did" and have that count towards the offended spouse. The offended spouse wants to hear confess, apologies and believe in your heart and mind that what you did was wrong so you never do that offensive thing again because that offensive thing hurt. Of course you've been on both sides as being the offender and the offended.
10. Speaking of marriages part of our relationship with God is a marital one, Bride of Christ.
11. And over time the concept of repenting has been confused, twisted and made

complicated through religions. These religions have created these doctrines to put God in a box and or to push God far away from people on the individual level.

God is offended at many things in a relationship. He calls those sins.

You get offended at many things in a relationship although you may not

have made a book about it or a formal list.

Speaking of lists see the

list of 666 sins of the Bible from our website that you can download and

program your soul to stop doing, so you stop offending God.

12. When you are born again, after the first time you genuinely and formally believe on Jesus with your whole heart, that He died for your sins and was risen from the dead, God moved inside of you. God is now living your life along side of you every step of the way. He is experiencing what you are experiencing. He is hearing everything you are saying or thinking. Have you ever thought about that? It's time to make this your reality. You'll most certainly change a lot of things once you realize that God is right there with you all the time.

13. What is repenting? The definition says that repenting is the changing of the Mind. The more specifically it's the changing of the minds. The minds? Yes. You need to change the way you think about something and your cerebral

mind and you need to change the way you think about something in your hearts mind, which would mean that you need to change your belief about something.

14. So

repenting to God is about changing your belief from believing in the ways of the "Anti-god" called Sin, the ways of Satan, the ways of evil & destruction to believing and the ways of God and what He says is good and right to do.

15. God is everything He is all reality. All of eternity

exist in God. We need to harmonize with all of reality which means that we need to harmonize with God. And the things that do not harmonize with God will be separated out into the Lake of Fire.

16. Lucifer birthed

Iniquity; he created all this mess for my understanding which is why the Lord Jesus had to come and die for our sins. Otherwise God would have to throw away all reality and start over which would then have negated all the good and good relationships He had developed over billions of years.

17. So understand that this very short life on Earth is

for testing to see which way you're going to go. If you're willing to choose God and Obey Him by doing good then you get to be a part of

life going forward but if you aren't interested in God and you choose the bad then you will have to be separated out if doing and being bad is your inclination even after God has offered us His Son to help save us.

18. God is looking for a peculiar people to call His own.

[Titus 2:14](#)

Who gave himself for us, that he might redeem us from all iniquity, and purify unto himself a **peculiar** people, zealous of good works.

[1 Peter 2:9](#)

But ye are a chosen generation, a royal priesthood, an holy nation, a **peculiar** people; that ye should shew forth the praises of him who hath called you out of darkness into his marvellous light;

19. Most people think that the Universe and all reality revolves around them. That's not the case and those people need to wake up and realize that day need to make the rabbit effort to get with the program before their life in this flesh body is up and then it's too late.
20. No one comes to the

Father except through the Son and no one will have the ability to enter Heaven and then the New Earth and New Heaven unless they are covered by the blood of Jesus. Every sin you do must be covered by the blood of Jesus. Every sin that you do after you have been born again, after you said the sinner's prayer for real, has to be repented out and covered by the blood of Jesus. Stop listening to those who either do not know what they're talking about or who are working for the enemy knowingly or unknowingly who tell you that you don't need to repent of your sins after being born again.

21. Becoming born again from above or regenerated by first believing gives you the bath. But after you had a bath and then have sins, relationship offenses to God, you need to wash your feet or else you will have no part with Jesus.
22. Read the Bible over and over and get to know what the entire word of God says; get to know what the entire New Testament says. Make sure you understand what all those scary versus mean because they all tie together. You do not want any Eternal surprises. Don't trust in man. Believe God from His Word.
23. Man-made, made up, easy way denominational doctrines blind and choke. When one is under

the stronghold of a denominational Doctrine one can't even read the Bible as is; the Bible gets reinterpreted to fit into the doctrine while other versus get cut out because they are not convenient.

24. We are responsible for the whole Bible. These days most denominations and religions that are called Christian that I've experienced block out most of the Bible whereas their main target is to remove Jesus as Lord.
25. We have the yeast of the Pharisees whereas the institution looks to take over as your lord. So they look to take the place of Jesus as your lord. And if your church, religion and their "doctrine" becomes your lord then you have denied Christ and have NO salvation. This is one broad path that hundreds of millions even billions seem to be on.
26. And then we have the yeast of Herod, as per understanding, which looks to control you by telling you that you can be your own Lord and your God can be your belly. They are your "permitors" who give you "official permission" that you can largely do what you want and it's ok because "God has unconditional love" and that if you said that sinners prayer and really meant it then you're in no matter what sin you do. "Repent? What's that? You don't need to worry about that because you're SAVED...", as they say.

They tell you to go ahead and pursue the happiness of your flesh heart and maximize yourself in this world without worrying about the next. And if you do any sort of work or try to obey Jesus, why you may be called legalistic or that you are trying to pursue work salvation. For the lazy who don't ready their Bible, they easily follow this doctrine since it's easy – all you have to do is just say the sinners prayer and really believe, become born again, but then you can go ahead and be your own lord pursuing the happiness of your flesh heart. But then you deny Jesus as Lord, you become your own lord and your belly becomes your god.

27. In summary, people aren't taught with the sins of the Bible are so as they continue to do what was in their soul before they were born again or as they continue to take in sin belief through daily living, media, TVs, movies, other people and so on they do more and more sins. Then they don't understand what's going on why they don't feel right. They don't think they did any sins. They feel increased distance from God and they don't know what's going on. But then some man-made denominational doctrine pusher is usually right there to assure them that they are okay and not to worry. They may say that it's "the devil" that's making you feel convicted

of sin.

28. So that churchgoer continues on well trying to force ahead, to convince themselves that they are okay and they are okay with God. While in the meantime they're pulling up a sticky mass of sins that they don't even know our sins for the most part. And they are at a point or have crossed the point where their conscience become seared. That's not good. So what needs to happen now is that everyone needs to get back to Bible Christianity. Yes before even 101. People need to KNOW the Word of God and not just about the Word of God. People need to read the Bible over and over plainly, and not filtered through their man made doctrines. People need to know what the sins of the Bible are. They need to know what the commands of Jesus of the New Testament are since they are key to just about everything in regards to you getting into Heaven and walking holy now.

2. The Spirit of God says You don't use target focused repentance, because of your pride!

1. Yes it seems even scary to admit some of these sins we have done so we want to ignore them. But God does not want us to do that. He's willing to forgive us if we just come clean and admit what we've done and admit it's wrong and change our beliefs

about that sin and furthermore change our belief in God's way, His command instead.

2. Settle matters with God. Talk to God and ask Him to reveal unconfessed sins and any error in you so you can confess the sins and change your belief in sins, that they are ok or good to believing on God's Word, that His Word is the only thing ok and good to do or think.
3. Get right with God so you know in your heart that things are good between you and God. You need to have your relationship opened back up. Every time you sin you offend God and hurt Him personally. Many people were never told the necessity of repentance or even what it was due to ignorant leadership or bad doctrines. Many people don't have any clue that you are to have a very personal moment by moment relationship with God. And many people have a sticky mass of horrendous amounts of sin, personal offenses to God built up and all recorded against them, and they don't even know it, believers. When you carefully go through that list of 666 sins on our site you'll likely be shocked how many sins you've been doing, not because you are bad in particular, but not sinning against God requires drastic change of mind, a drastic reprogramming of your soul, which unfortunately, most churches did not teach us.

4. What is repentance? How many people actually know? You've probably heard by now that it's not just saying sorry. You've probably heard by now that it's a changing of the Mind. What exactly is this changin of the mind? It is the changing of your beliefs from the commands of Satan to the commands of Jesus.
5. if you look at Matthew 28:19-20 you'll understand that the entire New Testament is the Apostles doing their job to go into all nations teaching them all of Jesus commands whatsoever then baptizing them in the name of the father Son and Holy Spirit.
6. And because Matthew 28 19-20 is there not only do we have the job of learning and mastering Jesus' commands putting them into our habits, by fully Believing on them that they are good and the thing to do, but is also our job to go into all nations teaching Jesus commands.
7. Jesus' commands have all the instructions you need for eternal life and exactly how to believe and exactly how to repent. Don't you know that repentance is the changing of mine from believing in the ways of Sin, evil, death, destruction, the commands of Satan to believing in the ways of God, the will of the Father, Jesus' commands of the New Testament? yes and that also includes as one of His commands to follow Jesus by

walking in the  
Spirit. Be in Spirit and in Truth. Be in Holy  
Spirit and in Jesus.  
God wants worshipers in Truth and Spirit.

3. The Spirit of God says Your haughty  
spirits and attitudes have caused you to fall into the  
enemy's pit.

1. I personally can't stand these  
doctrines that try to become our Lord displacing  
the Lord Himself.  
Sounds like the yeast of Pharisees doesn't it.  
I've had a lot of  
experience with these doctrines. They say that  
they have it all figured  
out and their way is the only way. And their way  
doesn't come close to  
the Bible's Way. It's a slice of the Bible swirled  
around a bit,  
ultimately so they can control the people and make  
sure they pay their  
tithes and so on and so forth. These doctrines are  
power systems to  
control the masses and extract wealth for from  
them to increase the  
power and wealth of the heads of these religions  
organizations. How can  
you tell or say that? They don't preach Jesus is  
Lord, meaning you have  
to do all that Jesus says or else you are a worker  
of lawlessness. They  
preach another Jesus. They hide Jesus' commands  
where as Jesus'  
commands are the cornerstone of the Doctrine of  
Christ, the foundation  
of the Church which were commanded to the apostles

and then to us to go  
teach all the world, all of Jesus' commands  
whatsoever. If you don't  
obey Jesus then He is not your lord and you have  
NO SALVATION. This is  
the 1/2 of the salvation messages that these  
Pharisee religions and  
Herod denominations have cut out putting billions  
of souls in jeopardy  
of missing out of Heaven.

2. You can see how these man-made  
Doctrine religions have done this over and over  
over time and it's still  
going on in the world as of this typing. They  
care more about their  
traditions that they made up than with the Word of  
God plainly says. I  
don't understand where they get the nerve. It's  
as if they think they  
have more power than God. They've made their own  
reality. And they made  
up their own Heaven. Wow they must be really  
powerful... they must have  
become gods. After all did in the Serpent's say  
" ye shall be as  
gods..." So I guess they believe the serpent and  
have become gods. Not  
sure what they are going to say when they deal to  
deal with God  
Almighty, their Maker.

3. Yes these doctrines and their  
pushers don't like you reading the Bible too much  
if at all. And at  
one point they would kick you out of the church or  
even kill you if you  
tried to read the Bible on your own, as far as I  
understand. I know I

got lectured when I mentioned that I was excited that I started reading the Bible for the first time with the goal of reading all the way through. I thought I was doing a good thing but my religious leader at the time got awfully concerned and upset and scolded me that I wasn't supposed to be interpreting the Bible on my own. But by that age I understood that there was such thing as "a scam" and scammers and this religious leaders sales pitch sounded like one of those scams. So I "rebelled" to go on and read the Bible.

4. And then I finally believed on Jesus actually for real shortly after. Reading the Bible woke me up big time and I knew I was not right with God. So I cried out to God to help me praying directly to Him.
5. After I got through the Bible even just once I realized I grew up in a total scam. This religion was a soul death trap. It was wild yet tragic that such an institution would even exist. But they're all over the place in all sorts of shapes and sizes.
6. These man made religions and denomination contractions from my experience largely did one of two things: 1. They try to be your lord displacing Jesus 2. Or tell you that you can be your own lord and go on to maximize your life In This World In the Flesh. Both ways deny Jesus as

Lord. How so? In order to have Jesus as Lord you need to do what He says. Why do you call me Lord Lord and not do what I say?" Luke 6:46 and if you don't have Jesus as Lord than you have no salvation Romans 10:10. if you don't obey Jesus as Lord than you become a worker of lawlessness. If you don't obey Jesus as Lord then you don't abide in him and then you don't produce fruit. If you don't produce fruit, a return for God and the kingdom then you will be tossed into the outer Darkness.

7. So let's make sure we have Jesus as Lord and no one else or nothing else. If you know the Bible much you'll understand that being in the enemies pit is really really bad. It's time that you get rid of your man made doctrines and that you read the Bible and believe what God says.
8. Why do you need a doctrine anyways? Your only doctrine should be the Bible, the Doctrine of Christ.
9. Just simply believe What God Says and if you have any questions ask your One and Only Teacher. If we all were taught by God as we were supposed to be then there wouldn't be any denominations or at least it wouldn't be any denominational doctrines, would there be.
10. Here is your new statement of faith for your denomination: 1. We

believe what God says  
from His Word 2. We seek to do everything He says  
from His Word even turning  
His commands into our habits. 3. Amen.

11. And now since we know the word of  
God we can recognize a modern Prophet who is in  
tune with the Word  
of God vs one who is not.
12. And if God is speaking through a modern  
day prophets then we will be able to listen to  
what he has to say and then check the  
scriptures to see if those things line up with the  
word of God as the Bereans did with Paul.

4. The Spirit of God says You're afraid  
of target focused repentance, because you will have to  
admit there is fault  
with you and your congregation.

1. It's unfortunate a lot of pastors  
have bought into this concept that you were  
supposed to be Zapped  
perfect like a robot the day you were born again  
so then they try to  
pretend like they're perfect and everyone goes  
around pretending like  
they're perfect. Yet since they never got past  
the milk of the  
word they don't know the meat of the word, the  
difference between right  
and wrong.
2. They don't understand that the  
soul is not zapped perfect when you are born  
again. You were given a  
perfect Spirit man born of God but your soul was  
left unchanged. So  
whatever was in your soul before due to beliefs,

beliefs in sin,  
remains there until you repent it out.

3. How do you repent it out? You stop believing in that sin. But that's going to take a lot of organized work to go in and find all the sins of the Bible and deprogram them out of you. Then it's going to take a lot of work to go into the New Testament and programmed all the Bible verses stated in a command style or an implied command style and the entire New Testament which are Jesus' Commandments, the command of the King of the Universe, the King of kings and Lord of lords.
4. And what's more unfortunate is that they multiply their error into their congregation whereas you have a bunch of people running around not knowing that they need to repent of sins. You have a bunch of people running around not knowing the sins of the Bible. You have a bunch of people running around having no clue what a lord is much less what Jesus is Lord is. And you have a bunch of people running around not knowing what Jesus's Commandments are therefore making it extremely easy to disobey Jesus Commandments and become workers of lawlessness.
5. This is why the church has become so weak. You have Believers with sticky masses of sin piled up against them after they've become born again because no one taught them to send

to the Bible or the commandments of Jesus. No one taught them that they need to stop obeying Satan as lord and start obeying Jesus as Lord.

6. Why was that? Error in these man-made doctrines which you could argue could have been strategic weed seeds planted by the Kingdom of Darkness. On the other hand you could argue that people didn't want to hear the truth and that people didn't want to hear they need to stop sinning and obey Jesus, denying oneself in the flesh and walk in holy in the Spirit. Because they rather maximize their lives now in the flesh instead of believing God. It's very easy to do. It's the easy way and the broad path. So since there was a market for a certain type of easy way flesh maximization message, life in this world maximization message instead of maximizing for eternity, then certain people who didn't care about God's Word, found a market demand and sought to satisfy it.
7. These people saw financial opportunity by understanding that they could force people just about to give them 10% of their income by preaching a nice little story once a week in combination with a couple few weekly ceremonies.
8. Another angle: I've seen a lot of people in leadership positions maybe worry too much about their

position of authority and the concept of authority instead of a concept of serving. They conveniently ignore the Lord's words when He says we are all on the same level and are not to lord over one another like the heathen do.

5. The Spirit of God says. It is an abomination that church leaders in their congregations or not Target Focus repenting because they don't want to admit they are wrong or at fault.

1. If someone sinned or kept on sinning against you without changing their minds about their sins to you; wouldn't you consider using a term like an abomination if that person kept on pretending like nothing was wrong?  
For an extreme example: what if you're married and your spouse thinks it's fine and dandy to go have an affair. The TV series they are watching tells them that it's the cool thing to do. So they believe the TV and seek to obey the suggestion. So they share their new idea about how it's the cool in thing to go out and have an affair. They tell you that you should just accept it and that it's normal, or to get with the times because everyone else is doing it plus the TV says so. But obviously you do not think it's a good

idea and you are deeply offended. But your spouse goes on with their affair and has one. They now expect you to be fine with it and that the marriage to go on fine and dandy just as always. Now wouldn't that be an abomination to you? Wouldn't it be intolerable that they don't repent about their affair? That's a bit of an exaggerated example but all sins by your spouse to you will have a similar effect and will close off the open trust relationship between you and your spouse unless mended by repentance of your spouse.

And repentance in this case could happen if your spouse realizes that is wrong, admits it which is confessing it and then completely changes their mind about it. But they change their cerebral mind about it AND their heart's mind about it so you can sense that they really believe that such a bad idea was completely and abhorrently wrong. If they did that there could be a chance of reconciliation (yet in this specific example you would not be Biblically obligated but for the sake of this example which unfortunately has been happening way too often...). If you thought that your spouse still loved you and just was not very bright OR simply did it because it was a generational curse thing and your spouse had no

clue what was going on  
on that level of things, then you could be open  
to forgive your  
spouse, even after such a hideous sin against  
you.

2.

Well we have to look at things  
from God's perspective. You'll understand God's  
perspective better and  
better by getting to know the Bible and accepting  
the Bible for what the  
Bible says as shocking as it may seem at times.

3.

There's one part of our  
relationship with God which is very close. It's  
considered a marriage in  
fact. In fact we saw that Israel, ancient Israel  
was married to God but  
then since they kept cheating on Him with other  
gods without repentance  
eventually he divorce them.

4.

Now we have the bride of Christ. There is a  
new marital relationship scenario going on. Now  
after you have been come  
born again you have God living within you. Most of  
us don't realize that  
He's there all the time. He sees what we see. He's  
living through us.  
Holy spirit is a multi-layered being according to  
Kat Kerr and so he  
puts a whole layer of himself into you. So it's  
why God is right there  
all the time in full person having an individual  
eyes relationship with  
us. That's really mind-blowing when you think of

it.

5.

When you really think of it then the sobering thought of all the bad and dumb stuff you've done was done with God right there with you experiencing that through you. That's shocking isn't it. On top of that you have a lot of angels, your poor guardian angel and other angels that you've upset. On top of that every moment of your life is recorded on video and Heaven has no data storage problems.

6.

So... it's time we get a perspective of how things are and how offensive these things are to God Who's right there with us in all we do.

7.

Man... We've got some serious, serious, high volume targeted Focus repentance that needs to be done don't we! Fortunately fortunately fortunately... for us, as long as we are in these flesh bodies and our heart keeps ticking, God is willing to forgive. Then again we are always one heartbeat away from eternity so... don't waste time. Get right with God. Confess your sins. Ask God to help you know what your sins are. Ask God to expose any error within you so it can be corrected

**and corrected swiftly. Ask God if there any commandments of Jesus that you are not obeying or obeying well. And ask Him to help you become better at obeying those commandments.**

6. The Spirit of God says My people have lost the art of war, for any true warrior of mine knows that waging an effective warfare, starts with target focused repentance and prayer.

1. Most people are usually have no idea what the word repent even means. I have never ever heard a pastor or any sort of Bible teacher explain what repenting actually is. So let me share with you what I've learned because I asked my Teacher and He helped me understand: Firstly you are in a relationship with God. The relationship can be looked at from many angles. There is the father to son or daughter relationship. And then there is the marital relationship concept with you as the bride of Christ. Then there is the servant to Master relationship. And of course there is the created being to God Almighty relationship, God Who is all-powerful and all-knowing and Who sustains our very breath moment by moment.
2. But let's think about that marital relationship angle. Are you married or have you been? (Yes it's unfortunate I have to even ask 'have you been' these days right?)

Well in a marriage relationship you have a living, ongoing, tethered by trust, interaction with each other. And at any moment in time if this trust is damaged due to an offense well that trust shuts down a certain amount or the trust completely shuts down even. So that open channel of trust between you two needs to be restored in order to have the good relationship and happy times with your spouse.

3. Now let's just say an offense happened whereas you offended your spouse; you hurt their feelings. You may not have meant it but you did. Your spouse took whatever you did or said as an offense. Now there's a problem. The happy times of open fellowship with your spouse got cut off or limited severely. Why is that? Because you hurt your spouse's feelings, you hurt them, so as a defense mechanism, they closed you off so they won't be hurt again. In fact what you did to your spouse is called a sin, yes even if you had no idea that you were hurting their feelings. And your sin against your spouse, as your spouse perceives such an offense as a sin against them, cuts off, blocks, hinders your relationship with them.
4. So therefore trust needs to be reestablished. How is this trust reestablished? This trust is really established by a concept called "repentance"! In order to repair the

trust you first need to identify the offensive thing that you did. You need to know what this sin against your spouse was. You need to actually understand how this hurts your spouse's feelings. And when your spouse senses that you genuinely believe in your heart that this sin is wrong and bad and that you never want to do that sin again, then your spouse can forgive you and trust you. You've probably experienced this process MANY times. Well it's arguably the same process with God!

5. Once you have clarity on what this sin is and how it hurts your spouse's feelings then you could realize that this thing that your spouse calls a sin, is no good and no longer acceptable to do ever again. You now change your beliefs to assign a belief in your cerebral mind and heart that anything related to this sin concept from any angle is no good to do in relationship to your spouse. **So you disbelieve in this sin.** And when your spouse sees that you understand what this in is and that you now really believe that this sin is bad, then they can now feel better about opening back up that channel of trust with you since you now understand that sin. And since you love your spouse, you won't want to do that sin again.

6. But wait there's more! Not only does God want you to make Him feel loved! How do you do this? Well doesn't Jesus give us this formula? Doesn't He give us his formula in John 14:15? We are fortunate because God lists out what hurts His feelings ahead of time for us by labeling what's a sin in the Bible.
7. He also lists out what makes Him feel loved and these are Jesus' Commandments of the New Testament. "For if you love me, keep my commandments". But wait there's even more? Did you know that if you follow sin and obey sin that you are a slave to sin? Have you ever thought of the concept of sin actually being a creature as mentioned in Genesis with Cain and this creature is actually the "Anti-God" with his lord and king of the Kingdom of Darkness, named Lucifer, or Satan? Yes the Kingdom of Darkness and the ways of sin are inverse to the ways of God. The ways of sin are like antimatter to the ways of God which is like matter. Sin brings destruction. God's ways bring life.
8. But there's more to this equation. Salvation is based on who owns you which means who is your master and Lord. You get this choice to choose after you have been born again, to choose either Jesus or Satan as your Lord/lord. If you obey the Commandments of Satan/Sin then Satan is your

lord. If you obey the commandments of Jesus the will of God then Jesus is your Lord. If you obey Jesus then you will be a worker of lawfulness. If you obey Satan you will be a worker of lawlessness. If you obey Jesus you get to go to Heaven because Jesus is your Lord and Master. But if you will obey Satan then he is your lord and master and you get to go with him down to the pit because he is your master and lord. To most people that will sound shocking and strange. Why? Most people don't know the Bible; they rely on "others" to teach the Bible to them which is a massive mistake. you are to be taught by God; you need no man teach you; you are to be taught by your One and Only Teacher.

7. The Spirit of God says 'Woe, Woe, Woe, to you leaders that have led my people astray.

1. Just so you know three woes is really bad, really really really bad. So your best and smartest action will be to assume that you've messed up as a leader of God's people and pursue any possibility of error, any pocket of confusion or lack of clarity on any Bible verse or vocabulary word in the Bible, on any Bible verse that you've ignored especially due to the doctrine in your likely under.

2. Understand that if the crowd is doing it then it's likely wrong. Understand that just because you are denominational leadership says something, that certainly doesn't mean it's right. Understand what the yeast of the Pharisees actually means. Understand what the yeast of Herod actually means. Understand the spirit realm. Understand there are new prophets and prophecies.
3. Whatever you do, scramble! Move fast because judgment on the church is coming very soon if it's not already here. After the NWO is destroyed next comes the church.
4. If you're under a denominational or religious doctrine you can pretty much assume that you're an error. These are not laid-back times. You must get aggressive and take the pains to make sure you're on track with God. God said he would even remove certain leaders from the face of the Earth if they didn't quickly repent – don't be one of those please. You can use the materials such as the list of 666 sins of the Bible and list of Commands of Jesus verses to help you accelerate your progress. And most certainly as a leader you're going to need to be on a 3 times or 5 times a year volume Bible reading plan; access ours or make up your own.
5. It's time to make sure that you know the word and don't just know about the Word.

it's time to make  
sure you are bearing fruit on an individual  
basis. It's time to make  
sure that you are spending quality alone time with  
the Lord regularly  
because it's really easy to get away from that due  
to too  
much ministerial busyness.

6. Make sure you become very good at  
not pleasing man, not fearing man. Fearing man is  
a snare. Make sure you  
understand what that means. Obtain the  
superpower of no longer being  
offended – that will make you powerful indeed and  
will prevent you from  
having to figure out how to forgive people and who  
to forgive; as we  
know forgiveness is a big deal because God says he  
won't forgive us  
unless we forgive others which is scary. And then  
the question is for  
you: how do you really know that you've really  
forgiven someone?

8. The Spirit of God says You, who are  
cowardly and afraid of offending, have sacrificed my  
truth and my people on  
the altar of Mammon.

1. Remember the warnings about being fearful and  
effeminate in Revelation. Political correctness is  
a hideous satanic  
scam that has made us look like fools. Seek to  
destroy political  
correctness at every turn, expose it. Being  
politically correct put you  
under the control of the Kingdom of Darkness be

manipulated at their  
will. All I need to do is call you a name and then  
you obey! Pathetic  
isn't it. Unfortunately we didn't know what it was  
I have most of us got  
caught up in it until we realized it was a scam.

2. Political correctness and fake righteousness  
are what the wicked promote. They have there  
charities but those  
donations don't necessarily go to helping people  
do they.

3. Start offending people according to the Word of  
God! By doing so you're showing mercy and love.  
Are we going to be so  
nice that went allow people to just simply slide  
into the pit forever?  
Forget that. Start tearing down and exposing this  
scam a political  
correctness and fake righteousness and do so  
swiftly all around you.

4. Additionally those under the bondage of the  
Demonic control of the 501 c 3 where held in  
further control of the  
kingdom of darkness allowing themselves to be  
threatened if they don't  
say and go along with satanic wickedness

9. The Spirit of God says Repent now or  
you will not come out of that pit, for truly you have  
received your reward  
and that's all you will get.

1. Despite popular doctrines,

you see here the threat of the pit. That's not good. Do not assume you're going to go to heaven just because you believed at one time through a sinner's prayer and that some man-made doctrine says that's all you needed to do. That's not what the Bible says it all. Get on our volume Bible reading plans and read the Bible 5 times a year and get to know the word of God. Eternity is a long time it's best to try and do everything right, now.

2. Better do what God says. So you may struggle believing in this prophecy but just think this way: it's better to do the better thing. It is smart, most certainly, to get right with God and repent. Even if you don't know what to repent about simply start talking to God and reading His Word. Ask God to expose your sins. Ask God to give you understanding on why they are sins. For help download that list of 666 sins off of our website and get to work! The Spirit of God says You honor me with your lips but your hearts are far from me. Because of your pride and refusal to repent, there will be no hiding from this judgment. The Spirit of God says it's upon my church, especially the leadership.
3. Despite popular doctrines, you see here the threat of the pit. That's not good. Do not assume you're going to go to heaven just because you believed at one time

through a sinner's prayer  
and that some man-made doctrine says that's all  
you needed to do. That's  
not what the Bible says it all. Get on our volume  
Bible reading plans  
and read the Bible 5 times a year and get to know  
the word of God.

10. The Spirit of God says Your big fancy  
homes, clothes and cars, were made with money stained  
with innocent  
blood. The Spirit of God says This has allowed the enemy  
to come in on you  
like a flood. The Spirit of God says Even the Pharisees  
knew not to touch  
that money, but woa to you that continue to take it  
saying it's sweet as  
honey.

1. Throw out your doctrines. Learn  
the Commands of Jesus of the New Testament and  
turn them into your  
beliefs which then turns them into your habits.  
Confess your error  
quickly. The clock is ticking. Judgment is coming  
soon to the  
church. As of this typing the sign of the death of  
the NWO has hit. The  
next sign, the next passing of the next USA  
president of the Evil Crew  
of 32, means the judgment on the Church, begins.  
Hurry up and get  
right with God. If unclear or confused, then  
assume you're in trouble  
and turn to God quickly. Understand that God says  
what He means and  
means what He says. Understand that since God

says He is not a  
respector of persons, then that means you are NOT  
special: obey Jesus  
commandments or perish.

11. The Spirit of God says The blood, the  
blood which cries out to me day and night, from the  
aborted babies to the  
murdering of my prophets. The Spirit of God says The  
blood is on my  
churches' hands, and yet no repentance?

1. God is blaming the church or allowing abortion  
to come into the land. This is not good. Your  
doctrines have diluted you  
into thinking that you can do whatever you want  
just because you said a  
sinner's prayer. Sorry that's not close to being  
Biblical. Start reading  
the Bible over 5 times a year and you'll start to  
get to know the Word  
of God as opposed to your doctrines that cut out  
parts of the Word of  
God and twisted them for the sake of denying Jesus  
as Lord well  
permitting yourself to be your own lord; and that  
equals Eternal death  
because making Jesus your Lord is salvation. And  
making Jesus your lord  
means to obey what He says.

12. The Spirit of God says I am looking  
for my true love, my pure spotless bride, and it grieves  
me her garments are  
stained because of pride. Where is she? Where is she my  
true love, I can no  
longer wait, my judgment is upon you, repent and come  
back to me before it's

too late.

1. God is not messing around. He wants a spotless bride. So therefore become spotless. Confess your sins and change your mind about them no longer believing them but Jesus' command instead to be covered under the blood of Jesus.
2. Understand that you are not safe because your doctrine says so. You are not saved until you are saved. So obey Jesus. Discover His commands in the New Testament, which is any verse stated in a command style or in an implied style so you can be saved.
